NEXT SESSION WEDNESDAY APRIL 29

“A practical approach to the management of Autism: navigating the 135”

A/Prof Jill Sewell

Dr Teresa Lazzaro

Advisor from Autism Victoria

Andrew Leaver, Medicare Australia

We invite you to the next VicFEAT session that will focus on the management of childhood Autism. We are fortunate to have an expert panel for this session that will specifically focus on the management of childhood autism. Representatives from Medicare Australia and Autism Victoria will also discuss the medicare item 135, eligibility criteria for and how to access the \$12000 Government package for children with Autistic Spectrum Disorders (ASDs). There will be plenty of time to discuss issues related to ASDs on the night but if there is anything specific that you would like to see addressed please contact me prior to the event. We look forward to what promises to be a very educational session.

All sessions run from 7:00pm to 8:30pm AEST
